

Niech bedzie etc.

Friends of Poland - I have a very important announcement to make - beginning next Sunday and every Sunday thereafter, this program, the POLISH HOUR will go on the air a half hour earlier, that is, at 5 p.m.

Proszę brać pod uwagę - iż w przyszłości POLSKA GODZINA się zacznie o 5ej - pół godziny przedzej. Proszę to rozgłosić: POLSKA GODZINA CO NIEDZIELE o 5ej.

And now we present a belated transcription - POLISH XMAS.

Well, poor unfortunate Poland. Once again the Polish people find themselves in Gethsemane on their way to Calvary for another partition. So will it continue to be, I am afraid, so long as Poland finds ~~itself~~ herself between the Sylla of Russia and the Charybdis of Germany.

The one ray of hope for the never despairing Polish people, is the sympathy of America and the world at large. Never, in all her history, has Poland[^] so many friends and well-wishers.

Permit me to repeat what perhaps some may have forgotten, that ~~When~~ War II began, to quote the N. Y. TIMES "over the issue of Polish territorial integrity." In other words, England declared war against Germany, that Poland continue to exist and live. The rights of small nations have been affirmed in the ATLANTIC CHARTER. Or am I out of order, for even mentioning the Atlantic Charter?

But enough of that. How about a POLKA? And this one in honor of GREAT-GRAND-MOTHER Frances Prusakowska, who this week will celebrate her 86 birthday. Niech żyje nam prababka Prusakowska. TITLE *W zielonym ogrodzie* *Franciszka*

In a green orchard

Last Sunday, I furnished historical evidence to prove that even our colored brethren are indebted to Poland. And to-day, I have a reminder for our persecuted Jewish brethren.

I wonder how many of our Jewish brethren ever heard of King Casimir the Great, the peasants' King. King Casimir the Great, should be hallowed especially by the Jews, for it was he who enacted a statute in 1334 which freed the Jews from all

civil and commercial disabilities - and who in 1367 granted the Jews certain SPECIAL PRIVILEGES. From that time, The Jews, persecuted in most countries of Europe, found refuge in Poland.

So even and especially, should the Jews be mindful of the refuge they always found in Poland. ~~Yes, / even~~

And now the I.C. Choir will sing in honor of all the mothers whose sons and daughters are serving Uncle Sam, MATKO BOLESNA - SORROWFUL MOTHER.

✓ And now a POLKA for the speedy recovery of Mrs. Sophie Kwasnik, Mrs. Theofilia Klonwiski, Joseph Chrzastek and Joseph Bidner. Title Amizka

Once again, please note, the POLISH HOUR will go on the air a half hour earlier in the future - that is - at 5 p.m. Polish repeat.
