And now a WALTZ - SKARBIE MOJ - MY  
TREASURE.

Next Sunday we will present a dramatic  
sketch entitled "IN WARSAW". The time is the  
present - today - any day - for it tells you  
of incidents which occur every day. Place -  
occupied Warsaw. A woman - typical Warsaw ped-  
dler - stands on a corner of a street, not far  
for the Miodowa Street - once the heart of the  
gay noisy traffic. Wooden sandals on her feet,  
an old torn shawl around her shoulders - her  
wares before her on the side-walk.

1  
Peddling is just a pretext. In reality  
she is guarding her post. She is a link in the  
secret chain of the underground activities -  
a liaison officer in the ranks of the under-  
ground heroes and heroines.

If you want to hear the rest, please  
tune in again next Sunday. You will hear how  
Warsaw's plain people fight against Hitler.

And now God bless you and yours and  
Bog zaplac for listening.
