Friends of Poland - Many thanks for your very many encouraging compliments and good wishes. We are flattered that so many of you look forward to our program. We are pleased that we help to make your Sundays merrier.

3
Let's begin with a musical bouquet for Mrs. Josephine Jablonski for her birthday. *ok yrs & for Fr. Brennan of St. Columba's East Kingston whose birthday is next Saturday.* GOOD NEWS.

Thus far we have been soliciting clothes and shoes for the suffering and freezing people of Poland - and we intend to continue. So don't think it is too late for you to send your bundle of clothes, especially baby clothes to the I.C.School. Or contact any member of the I.C. parish.

1
But soliciting clothes for Poland, we feel, is not enough. Beginning today, we will appeal to you, friends of Poland, for funds for fighting Poland, whose sons are to be found in every country fighting for your freedom and ours, which, we presume, you recognize as the battle cry of the Polish soldier down thru the ages, FOR YOUR FREEDOM AND OURS.

But now another polka for a young couple celebrating their 56th wedding anniversary - Mr. & Mrs. Anthony Wojciéhowski - ~~Anna~~. and also for Mr. Mrs. Adam Wudek on their 31st wedding anniversary. - Anna.

We have been on the air every Sunday since Oct. 1943. If this POLISH HOUR has brought you any pleasure during that time, - and you care to show your appreciation - then please send us your contribution for Fighting Poland.

Get something with a lid on it, so you wont
be tempted to dig your fingers into it. How
about it? O.K. ~~Thanks~~ Bog Zaplac in the name

How about making the novena to D.L. of V. for the safety of your loved ones in the armed forces? A perpetual novena to O.L. of V. takes place every Thursday evening at 7.30 at the IC Church Delaware Ave. The Hasbrouck Ave. bus stops at the Church doors.

Your loved ones will excuse for many things, but not for neglecting to pray for them. So join those who have been praying to O.L. of V. since Jan. 1943 for the safety and speedy return of our loved ones.

Did we hear you say: But I am not a Catholic? Again we repeat: you are as welcome as the star of Bethlehem. And you will find plenty of company.

It's no crime to pray. And that is what we invite you to do with us, for those we love, for those fighting to preserve our country and our homes.

2
The prayers are recited aloud - we all pray together. Oh, yes, in English. You'll find a booklet with the prayers waiting for you in the church library rack.

The novena to O.L. of V. is followed by the veneration of the relic of St. Stanislaus, patron of the young people. St. Stanislaus died before he was 20 - so he should have an appeal to all young people.

Oh, yes, practically every Saturday morning at 8, a Mass is chanted for the safety of all those in the service.

So you see, the boys and girls in the armed forces, are not neglected in I.C. Parish.

But have you neglected to take advantage of these services?

It may interest you to know that about 3000 vigil lamps have been burning in the I.C. Church during the past year for our boys and girls in the service.
