transcribed dramatic sketch entitled "THE
MAYOR OF WARSAW," the second in the series,
POLAND vs HITLER.

Dedicated to the indomitable spirit
of the people of Warsaw, capital of Poland,
and their courageous mayor Stefan Starzynski,
this moving story tells us, how 4 years ago,
unarmed but fearless, the people of Warsaw
fought the powerful German panzer divisions
in the suburbs of Warsaw.

Under a ceaseless rain of bombs, ~~and~~
amidst raging fires, without food and water,
Warsaw fought to the end, to the last round
of ammunition.

The battle of Warsaw awakened the
whole world, and was the beginning of our
joint fight against the forces of evil and
Tyranny,
