

Niech bedzie pochwalony Jezus Chrystus.  
Frøends of Poland - Greetings of the Holy Season  
of Christmas to you and yours.

Polacy, rodacy, bracia - Zycze wam  
wesolych swiat Bozego Narodzenia. - a choyim z drowia na swieta

Now let's hear what the 13th program  
in the series Poland vs. Hitler has to offer us  
this St. Stephen's Day.

✓ Let's help make this day a merry one too  
by beginning with a lively Polka - PASTUCH -  
appropriately titled SHEPHERD.

And now appropriately too - let's hear  
what the Immaculate Conception Choir has to of-  
fer us from its repetoire of Polish Xmas carols.  
The First carol - DZISIAJ BETLEJEM \* TO-DAY BETH\*  
LEHEM.

✓ And now we will give the choir a couple  
of minutes to rest their vocal chords, while we  
listen or dance to another Polka - PRZY ROZBITEM  
DZBANIE - THE BROKEN JUG.

✓ And now we will give you a couple of  
minutes to rest your feet, while the Immaculate  
Conception Choir regales us with ANIOL PASTERZ-  
OM MOWIL - THE ANGEL SAID TO THE SHEPHERDS.

✓ And now a third Polka - LA LA LA (Where  
are you, my darling - if La La La is faded out)

Lest you have forgotten, let me remind  
you of the JESELKA or Christmas show at the White  
Eagle Hall to-night at 7.30. Bring the youngsters.  
It's for them as well as for you, since Santa  
Claus has a date with the younsters at the White  
Eagle Hall to-night at 7.30.

Kiedy nie uslyszycie od nas az na drugi rok, to znaczy, dzis za tydzien, pozwolcie abym wam wszystkim zyczyl wszystkiego jak najlepszego na caly nowy rok.

And so DO WIDZENIA until next year, that is, next Sunday, God bless you and yours with a propitious start New Year's Day - and Bog zaplac for listening.
