12a PROGRAM - WKNY - 12/19/43.

Niech bedzie pochwalony Jezus Chrystus. Friends of Poland - The 12th program in the series Poland vs. Hitler now brings you a sketch entitled THREE BOMBS. / Let's listen.

And now let's begin with a POLKA - Marianna - Mary Ann.

By the way, tune in this station tomorrow night at 8.30, if you want to hear some
Polish Xmas carols. The choir of the Immaculate
Conception Church will oblige. John Pinkoszź
will play a polka or two on his accordian. This
will be Immaculate Conception Parish's contribution to the Mayor's Xmas Cheer program for the
tots of our city.

Beginning next Sunday, the Immaculate Conception Choir will be on the air at this same time throughout the Xmas season, to sing Poland's traditional Xmas carols. I assure you that you will hear merry melodies you've never heard before. Tune in next Sunday and become acquainted with Poland's contribution to Christmas.

And now let's change to a WALC - IDZ* IEMY PO SZCZ*SCIE - WE GO SEEKING GOOD FORTUNE.- an imported recording.

Some time ago I mentioned that the first High School in America was established by a FOLE Dr. Charles A. Curtius in Manhattan in 1659.

But do you know who founded the presumably first POLYTECHNIC INSTITUTE in our country? Yes, a son of Poland. Professor Leopold J. Boeck, founded the Polytechnic Institute at New York, said to be the FIRST in this country. Again I repeat even in the field of education, America, that is, You and I owe much to Poland.

And now how about an OBEREK - PO ROBOCIE **

Arter Work.

By the way, did you listen to Horace Heidt's Tums program last Tuesday night? Did you hear Horace Heidt interview one of Uncle Sam's boys, whom he called a POLACK?

How many of you Americans of Folish ancestry, sent Horace Heidt and his sponsors a card of protest, asking for a public apology?

If you didn't, then you should have. Even now it is not too late.

Did I? Yes, I did. To him and to his sponsors. I also informed him that Americans of Polish ancestry resent that appellation. For his information, I stated that the noun is POLE and the adjective is POLISH.

Polacy, rodacy, bracia, nie dajcie sie poniewierac. Nawet w zartach nie pozwolcie sie przezywac. Napiscie do Horace Heidt, adres tylko WEAF, N.Y.City. I napiscie do stacji, adres tylko M/1/2/1/2 WEAF N.Y.City. Pocztowka wystarci.

Moje staranie aby ludzie nas szanowali, bedzie nadaremne, jesli wy polacy mnie nie poprzecie. Wiec wyslijcie jemu i stacji WEAF pocztowke ze skarga zeby Polakow publicznie przeprosil.

Jesli kazdy polak wysle skarge, kiedykolwiek cos podobnego sie zdarzy, zobaczycie jak predko przeprosza, bo sponsors nie chca nikogo obrazyc, buznesu stracic. Ale ja sam to tylko glos na puszczy.

I know that you will like the next number CZIRI-BIRI-BI, AN IMPORTED RECORDING.

Masses Xmas day at the Immaculate Conception Church will be at mid-night, at 8 and 11.

A week from to-night the Immaculate Conception School children will present their annual
