43rd PROGRAM - JULY 30th, 1944 -#1.

Niech bedzie etc -

Friends of Poland - From now on we will have plenty of Polish music for you, because the Polish Information Center has discontinued making transcriptions.

3. Let's begin with a new Polka - Casablanca.

✓  
3 Have you sent your bundle of wearing apparel to the I.C.School for the needy Polish people whose homeland has been ururped, laid waste and made desolate by the so-called supermen of the self-styled master race?

And now another new Polka - We should worry, for Mr. & Mrs. Ignatius Prusack jr. on their 10th wedding anniversary.

✓  
3 If you have no clothes nor shoes to give to the I.C.Committee of Wearing apparel for Poland, and if you feel that you would like to share in the work of mercy, then you may send a contribution to help carry on this noble work of charity.

3. And now more Polka music - DZIEWCZYNA W ZIELONYM OGRODZIE - A girl in a green garden.

Rest assured that not one cent contributed to the Polish War relief - that's where we send our bundles - will go astray, for our good ladies, who - under the able direction of Mrs. Michalina Raczkowski - meet every Tuesday evening at the I.C.School Hall, receive not one cent of remuneration for their work.

*for my Radio work*  
And if you are interested - neither do I. This is my 43 program, my 43 week on the air, and I haven't yet received even a penn for my time and effort and research work. I

am solely interested in aiding and furthering the cause of Poland, a country to which we Americans should feel eternally grateful - if for no other reason than that Poland gave us Kosciuszko and Bialski, when we ourselves were struggling and fighting and dying for our freedom and liberty and independence.

And now more of that spirited Polish music - UWIEDZIONA DZIEWCZYNA \* the cheated girl.

Yes, and look what is happening to ~~Poland~~ Poland now? Poor Poland. Soviet Russia who again claims to have no designs on Poland, is ignoring the Polish Government in exile, recognized by the U.S. and Britain

Could it be that our Country and Britain are wrong or ignorant? No. Stalin just wants ~~his way~~ to have his way, whether its legal or not. He's been having his way a long time, ever since his own purges. Or have you already forgotten that Stalin's hands too reek with the blood of the innocent?

What right has a foreign country ~~to~~ Russia, to dictate to Poland-who is to be the legally constituted authority in liberated Polish territory?

Suppose Poland took Stalin's attitude and dictated to Soviet Russia her wishes and desires and insisted on imposing them on the Soviet people? What then?

Do unto others as you would have others do unto you - but this golden rule is the teaching of Christ - and there is no room for Christ in Soviet Russia.

And so it behooves all Christians to take a lively interest in the cause of Poland who more than once proved herself the bulwark of Christianity.

43rd Program - 7/30/44 - #3.

Let's pause for a moment to be re-freshed with a polka - GILIA - Red Finch Bird.

2  
By the way, do you know how many Catholic Churches ~~there are in all of Russia~~ the purges of Joseph Stalin left in active existence? If you don't know, then hold your breath. Believe it or not - according to Quentin Reynolds in his book THE CURTAIN RISES there is but one - yes, one - Roman Catholic Church in all of vast Russia. And how many Priests have survived the blood purges of Dictator Stalin? Hold your breath again. There is but one Catholic Priest on active duty Father Broun, ~~an American of New Bedford Mass.~~ and only the fact that he is an American with a quasi official status, has saved him.

If Polnad is not careful and vigilant and wary, of the Polish Committee of National Liberation, sponsored by ~~the~~ Soviet Russia and headed by Wanda Wasilewska - who tho' Polish, is a Soviet citizen - Poland too may find herself with but one church and one Priest.

Let's pray that Poland remains loyal and steadfast in her role of bulwark of Christianity by insisting on her rights as a sovereign and independent State.

3  
Suppose now we pause to listen to an OBEREK for a change - LOMZYNSKI.

1/2  
Perhaps you would like to hear more of the one and only Catholic ~~Priest~~ Church and Priest in all of Russia - Father Broun, formerly of New Bedford Mass, and now pastor of the church of St. Louis de Francais Moscow.

Quentin Reynolds in THE CURTAIN RISES writes on page 64 - quote -

1 His church was robbed four times, the vandals even committing the sacrilege of stealing sacred church vessels from the altar. He complained each time, but the only satisfaction he received, was a bill from the authorities. According to Soviet law, all church property (since 1917) belongs to the state - and Father Broun was held personally responsible for the loss. End of quote. How do you like that? Anything to drive him to despair; however, to the best of my knowledge, Father Broun is still hanging on in Moscow.

Personally, I knew of Father Broun before reading about it in THE CURTAIN RISES, for I heard Bishop Gawlina relate in a secret conference his experiences with Father Broun in Moscow.

3. And now something less serious -  
JA ZONKE MUSZE MIEC \* I MUST GET MYSELF A WIFE.

By the way, the 15th of this month, is a memorable day in the historical annals of Poland, for it was the 15th of July, 1410, that the century long struggle between Poland and the Teutonic order, was brought to a head, in the crushing defeat of the Germans by the Poles at GRUNWALD.

Let me read to you a paragraph taken from a booklet entitled TRUTH ABOUT POLAND, page 7, published by the POLISH INFORMATION CENTER. QUOTE -

In 1410, the united armies of Poland and Lithuania defeated the Teutonic Order of the Knights of the Cross, in the battle of GRUNWALD.

By that victory, the DRANG NACH OSTEN was stopped, but that great Polish success was unexploited and it was not before another war of 13 years, which Poland had fought to fight in the middle of the century, that she could

enjoy 300 years of almost uninterrupted peace from the German side.

The lesson should not be forgotten: partial or unexploited victories over the Germans, give only short-lived and precarious peace. End of Quote

I might add: this was verified in our own case after the first world war. Have we learned our lesson? Will we remember after the smoke and din of battle of this war? To repeat the Quotation: partial or unexploited victories over the Germans, give only short-lived and precarious peace.

*omitted* And now a Polish lullaby - A A KOTKI  
DWA -Ah, ah, two kittens. *omit because of same calculation in book*

And so DO WIDZENIA until next Sunday at 5. God bless you and yours. And BOG ZA PLAC for listening.
