Friends of Poland - First, an important announcement: - beginning two weeks from today, the Polish Hour will go on the air an hour earlier, opening with a brief 5 minute news resume.

Well, to-morrow, in case you Don't know, is a great day. Why? Don't you know? If you have any Polish blood in your veins, then you should know. The children of Immaculate Conception School know and will tell you that it is the feast day of all young people - yes, St. Stanislaus.

The I.C, school children will honor St. Stanislaus to-morrow by attending a Highn Mass at 9o'clock. Of course there will be no school at I.C. to-morrow.

Incidentally, I never heard of a St. Stanley. Did you? So insist on being called Stanislaus and not Stanley, if that is your name.

Well, in honor of all who bear the noble name of Stanislaus, let's have a beer, I mean let's have two beers --- Polka.

So you thought all was well with Lithuania. Well, as last, some one managed to crawl under the barb wire of Soviet censorship with the truth. At last Lithuania has dared to raise her voice in protest against Soviet domination and persecution. Quote NYTimes.

And now a polka ADRIAN.

Friends of Poland - An important announcement - beginning two weeks from today, the Polish Hour will go on the air an hour earlier, opening with a brief 5 minute news summary. And now how about beginning with a beer, I mean two beers Polka. PAGE 1. A. Did you know that Mexico

Some how or other Lithuania has at last dared to raise her voice in protest against Soviet domination and persecution. We now quote from the NYTimes -

And now a polka ADRIAN.

Not only has Lithuania protested publicly against Soviet interference in its interhal affairs, but even Estonia took courage to voice its grievance ~~Joseph Stalin's policy of meddling in the~~ against Joseph Stalin's policy of not minding his own business.

Again we quote the NYTimes -

And now ~~another polka~~ how about a WALTZ - ZA?EBRU ZA EBRU FALA \* ON THE WAVES OF EBRO. for Mrs. Valentine Skop on their 10<sup>th</sup> wedding anniversary.

According to last Friday's NYTimes Latvia has joined Lithuania and Estonia - and all the time we ~~thop~~ were given to understand that everything was cacy lala among these small countries and Soviet Russia -

Well listen to this from the esteemed NYTimes - QUOTE

Now honestly can we blame the Polish people and the Polish government in London for being skeptical and suspicious of Soviet Russia.

If any one is still interested in Christianity, then he should remember that Poland was historically the bulwark of Christianity and if she is to continue in this capacity, then Poland must be absolutely free and independent, especially of ~~Godless~~/the Stalin's godless Russia.

And now something in a lighter vein -  
POLKA PLOCKA, for Mr & Mrs. Charles Cole Sr. on their  
24th Wedding Anniversary. Mrs. Charles Cole was the  
former Sophie Szejewski. End of

No doubt you know that the Central Hudson Gas and Electric office on Broadway, has a window display of posters representing the different countries that will share in your contributions to the National War Fund.

Conspicuous by its absence, was the poster representing Poland. We looked high and low but could find none. The sad feature is the fact that no one missed it - that no one called attention to its absence.

Now please do not misunderstand us. It does not mean that Poland will not ~~share~~ get her share of the National War Fund. She will - and by all means, give and give generously.

Yes, we have contributed our share. Mr. Walter Dannaruma, our local chairman, can vouch for that.

And now

Don't forget - if you have no clothes to send us for starving, freezing and bleeding Poland, then send a modest contribution to Yours devotedly, Fr. Malinowski in care of this static

~~And so~~ Please make note that the  
Polish Hour will go on the air 4.04 beginning  
two weeks from to-day, that is the last Sunday  
of this month.

Or if you will, we will put it this  
way - the Polish Hour beginning the last Sunday  
of this month, two weeks from today, will go  
on the air <sup>at 4:04</sup> at 4 o'clock, opening with a five  
minute news report.

And so DO WIDZENIA UNTIL next Sunday  
at 5. God Bless you and yours.. And Bog zaplac
