Niech bedzie etc -

15 Friends of Poland - At last we received the long awaited transcription in honor of the Polish Constitution of the 3rd of May - Poland's Independence Day - which corresponds to our own 4th of July.

Let's listen to it and then we'll play your favorite Polka dancing music.

~~No Honor~~

Our good Mayor, William F. Edelmuth informed me that Colonel McEntee of Saugerties - USA retired - is about to retire to West Point where he intends to isolate himself so as to devote a solid year in preparing a Polish History. *from a mile long front fence*

1/2 Incidentally Colonel McEntee is not Polish, nor has he any Polish blood - to my knowledge.

Colonel McEntee, you have the good wishes and prayers of us Americans of Polish ancestry.

3 In your honor we play - Unita Polka.

Last Sunday we mentioned a popular best seller written about Poland: While still we live, by Helen McInnes.

To-day we add another best seller: Blessed are the meek, written by Zofia Kossak. Blessed are the meek, holds 8th place in the N.Y. Times Book Review.

1/2 Need I add that Zofia Kossak is Polish?

12 And now birthday greetings to Mrs. Adam Dudek and to sailor John Augustyn of the USS Louisville and good wished to Michael Augustyn who married Mary Demski 4 years ago. For all of you we play DARK FOREST POLKA.

If you haven't heard already, then you soon will - of the POLISH AMERICAN CONGRESS to be held in Buffalo N.Y. the 28th, the 29th and the 30th of this month.

American citizens - ~~not foreigners~~ ^{but} ~~yes~~, American citizens of Polish extraction will confer on the best way of helping win the war and the peace at the Polish American Congress in Buffalo N.Y.

Americans of Polish descent in the Polish American Congress will be proof that they can and will take a firm ~~stand~~ ~~sta~~////// and united stand whenever there is need for the same.

I have made reservations to attend that I may be able to give you a report.

Perhaps this quotation of Gilbert K. Chesterton will help you understand the reason ~~and the~~ for and the importance of ~~this~~ this POLISH AMERICAN CONGRESS in Buffalo.

Quote: There is one people - ~~among~~ ~~all the people of Eastern Europe, upon whom~~ ~~Western Europe~~ - THE POLES - among all the people of Eastern Europe, upon whom Western Europe can really rely. End of quote.

And now for the speedy recovery of Father Benjamin Roth of St. Mary's, we play -
ADRIAN POLKA.

Our good Italian friends, please note - Did you know that the Polish colors are to be found on the Italian front? If you know your Italian history, then you know that this is not the first time the Polish soldiers have crimsoned Italian soil with their Polish blood.

33rd PROGRAM - 5/21/44 - #3.

If you know your Italian History, then you will recall the name of Chrzanowski who fought on the side of the Italians against the Austrians.

Polish soldiers fighting on foreign soil the world over, reminds us of the Polish slogan: FOR YOUR FREEDOM AND OURS.

And yes Englishmen, please make note. Did you know that every 7th German plane destroyed in the battle of Britain, was shot down by Polish pilots?

Yes, I repeat what I have said so often, the whole world is indebted more or less, in one way or other, to Poland and her gallant and illustrious sons and daughters.

3
And now a polka to speed the recovery of Father Warren Hughes of Sawkill who is still convalescing. Father Hughes STEEL POLKA FOR YOU.

Don't forget the Holy Rosary Society Card Party Thursday evening at the I.C. School Hall Delaware Ave. 8.30.

And so DO W DZENIA until next Sunday at 5. God bless you and yours. And Bog Zaplac for listening.
