

Guidelines for Baptism

In order to get baptized in the Catholic Church, there are a few guidelines to follow.

1. A parent(s), or legal guardian, must consent to the baptism and give reasonable belief that the child being baptized will grow up under the Catholic religion.
2. Godparent(s):
 - Must be a confirmed Catholic
 - There may be one Godparent, or two. (If there are two, there must be one male and one female).
 - Must be at least 16 years old.
