Friends of Poland - First let's listen to what the Polish Information Center has to offer us and then we will play the Polish music you so much enjoy.

3.
Just to prove that out of sight does not always mean out of mind, we play for Father Francis Borowski, now Captain Borowski, the former Pastor of Immaculate Conception - Frances Polka.

Did you know that a very strong bond of friendship exists between the French and the Poles? And dates back - to my knowledge - almost 200 years? France is still mindful of the debt she owes Poland, for the Polish legion that fought at Napoleon's side under General Henry Dąbrowski.

And now for our listeners of St. Stanislaus' parish Pine Island, who next Sunday at 3 p.m. will unveil a tablet in honor of their boys and girls in service, we play a KUJAWIAK - POLSKA KREW - POLISH BLOOD.

By the way - Incidentally Father Felczak extends to you a cordial invitation to attend.

No doubt, you know by this time, that the Poles were pioneers of printing, not only in Poland but in many countries with their first books.

But how many of us know that for many years Poland printed books for Russia, Hungary Roumania and other countries.

Incidentally, in two centuries, Polish Printing shops supplied Russia with over 1,500 various works of literature.

And now birthday greetings to Mrs. Antonina Slizewski, the mother of one of I.C.'s great workers and hustlers. ^{Mrs. M. Kelleyman} Perhaps no one sold more tickets for the parish than Mrs. M.K. ^{Mrs. M. Kelley} For whom we play a tango - GDY BRZMI MELODJA TA - WHILE THAT MELODY LINGERS ON.

Perhaps this little incident taken from the February issue of the Pulaski Foundation Bulletin, will make Americans of Polish ancestry ~~more~~ more proud that their names end in ski. QUOTE -

The Honorable Chester SKIBINSKI, Chairman of the Massachusetts State Labor Board and a former State Senator, was invited to serve on the Board of Directors of the International Institute of Boston; and in connection with this new office, attended a banquet arranged by the organization. Called on to address the assembled guests, he began his talk with the following well-pointed remark:

Some believe that a name ending in "SKI" hampers them in their careers. It did not hinder Paderewski, and it does not hinder Stokowski. And in order that it might help me, I have one at the beginning and one at the end of my name. End of quote.

And now for the speedy recovery of Mrs. Marshall Dzikowski Kowal ^{B.H. 12} and Mrs. Mary Gill, we play for the first time THE BEER BARREL POLKA. (* Mr. Joseph Chrzastek)

And now DO WIDZENIA until next Sunday at 5. God bless you and yours and BOG ZAPLAC for listening.
