Friends of Poland - Next Sunday  
we will present ~~to you~~ "THE CHILDREN OF  
POLAND", ANOTHER TRANscribed program in  
the series POLAND vs HITLER.

Children are the most tragic victims  
in this war, in which even the homefronts  
have been transformed into battle fields.

Helpless children all over the  
world are machine-gunned, murdered, bombed  
and tortured by our barbarian enemies.

But the most cruel war was declared  
by Germans against small, fairhaired, blue-  
eyed children of Poland.

In this uneven fight, they are de-  
ported to forced labor, deprived of schools,  
religion, food and separated from their fami-  
lies.

CHILDREN OF POLAND is a picture of  
the enormous misery and bravery of the child-  
ren of this heroic country, our ally, Poland.

And now until next Sunday - God  
bless you and yours and Bog zaplac.
