20th PROGRAM - February 13th, '44.

Niech bedzie pochwalony etc.

Friends of Poland - Well, here we are with our 20th program. We hope to make it a good one by giving you plenty of Polka music.

3  
And so, here we go. The first in honor of one of Immaculate Conception School boys who made good - Lt. Edward L. Tomczyk of the Air Corps. ~~He is still one of my altar boys.~~ who ~~is~~ (at present) home, with his folks for a few days. Incidentally he is still one of my altar boys. Well, here it is THE VICTORY POLKA

If you read the N.Y. Times, I hope you didn't overlook the editorial entitled IZVESTIA & THE VATICAN. For the benefit of ~~tho~~ those who did not read it, let me quote it at least in part:

3,  
Of all the incendiary ~~bombs~~ literary bombs manufactured in Moscow, since the Teheran conference, and ~~etc~~ etc.

✓  
Apropos of this question, you might read an illuminating editorial in to-morrow's issue of Life magazine.

3,  
And now another Polka VERONICA for all the young ladies of the ~~The~~ Children of Mary's Sodality of the I.C. Parish, who - under the direction of their new president Veronica Janeczek and able Vice-president Frances Witkowski - assemble every Thursday evening (~~after the Novena service for the safety of our boys and girls in the service,~~) to write letters to our boys in the service - VERONICA POLKA.

*Tomorrow night they will hold a St. Valentine's Day dance at the S.C. School Hall. Love to come? Then you are welcome & new*

By the way, did you read the second article in February's Reader's Digest, entitled

119  
THE REAL GERMAN ENEMY? It is worth reading. Let me quote but a few lines, the gist of the article.

Quote - Most people in this country believe that Hitler and the Nazis are the sole rulers of Germany and are responsible for the war. Eliminate them, a-- and we shall have achieved our biggest war objective.

2  
Nothing could be further from the truth. The United Nations will ~~have~~ make a tragic mistake if they stop with eliminating Hitler and his henchmen. -I am still quoting - Hitler is only the symbol of German aggression. Behind him is THE SUBSTANCE - THE GERMAN GENERAL STAFF. And behind the ~~General~~ German General Staff are the Prussian Junkers. Kaisers, dictators, even presidents, may come and go in Germany, but the Junkers and the General Staff go on forever. To them, war is an end in itself, and peace simply a breathing spell in which to prepare for future wars. End of quote This is the theme of the REAL GERMAN ENEMY as found in the FEBRUARY'S READER'S DIGEST. Read it for your information and also in justice to the good and wholesome Germans, who together with the Poles and others, helped to make America what it is to-day, God's Country.

3.  
For our many sympathetic friends of German ancestry we play FRYC POLKA.

✓  
How many of us know that David Gabriel Fahrenheit, the first person to measure heat scientifically, was a native of Danzig, Poland.

3.  
Since to-morrow, St. Valentine's Day is the 18th Wedding anniversary of Mr. & Mrs. Peter Szczypca, we play very appropriately, ANNA POLKA. - Anna.

✓  
17  
Over here we may not be familiar with the name of Paul Strzelecki. But ask anyone from the antipodes about this great Pole and they will tell you that Paul Strzelecki was their first geographer - and that Paul Strzelecki was the first discoverer of Gold in

Australia.

1  
3.  
And now to celebrate the new arrival in the household of Lt. Stanislaus Rydzewski - better known as Buddy, now somewhere in Africa, we play appropriately for his wife Nancy and her son Raymond Stanislaus, LA LA LA.

✓  
Yes, even Australia, way down under, is indebted to Poland through Paul Strzelecki. In gratitude, Australia has named its highest summit, Mt. Kosciuszko.

By the way, as often as you find the apparently unpronounceable sz and cz, pronounce them as you would sh and ch. For example Kosciuszko. //

3.  
And now Julida Folka for the speedy recovery of Mr. Joseph Piotrowski and his daughter Mrs. George Piotrowski Quigley. //

1  
By the way, we've said nothing about South America yet. So let's take Peru. Did you know that Ernest Malinowski, was the organizer and builder of the Trans-Andes R.R., connecting the Pacific and Atlantic Oceans? Yes, Peru is indebted to Ernest Malinowski, for the R.R. that connects the Pacific and the Atlantic Oceans.

3.  
By the way, Mr. & Mrs. Stanislaus Janeczek, will celebrate their wedding anniversary next Wednesday. And so Stasiu, grab your Marianna and dance, for here goes very appropriately MARIANNA POLKA.

25  
✓  
Well, Ernest Malinowski, the builder of the Trans-Andes R.R. connecting the Pacific

25  
and Atlantic Oceans, reminds me of another Malinowski, Bronislaus, who died a couple of years ago. Perhaps you even read the editorial the N.Y. TIMES carried the 19th of May. Bronislaus Malinowski was a professor of anthropology at Yale and the University of London //

And now for the good ladies who will be busy in the kitchen for that supper date you all have a week from to-morrow at the White Eagle Hall, we have a musical bouquet - Kwiatek Polka - Flower Polka. Alright, ladies, since you will be too busy ~~and too tired~~ to dance a week from to-morrow, suppose you grab your partners now. Their names? Why, certainly. Mrs. Anthony Kaminski, Mrs. Walter Raczkowski, Mrs. Joseph Tomczyk, Mrs. Boleslaus Kaminski, Mrs. Stanislaus Janeczek, Mrs. Michael Melnik, Mrs. Valentine Skop, Mrs. Jos. Wojciechowski, Mrs. Jos. Lukaszewski and Bronsilava Starzyk. Big list? Big supper.

3  
<sup>now</sup>  
And in ~~conclusion~~, a musical word of comfort for Mrs. Martha Kellerman whose son John, a marine, is recuperating in a hospital from the natural after effects of a recent attack on one of the Jap held islands in the Pacific. Where are you, my darling.

~~and so DO WIDZENIA. God bless you  
and yours. And BOG ZAPLAC FOR LISTENING.~~

1  
Too late did Mrs. Daniel Madajewski Styles inform me that next Friday is the birthday of a grandfather, a father and a daughter, all in the one family tree. So happy birthday Mr. Adalbert Madajewski, Frank Madajewski and little Phylis Madajewski. ~~Had~~ (Wszystkiego jak najlepszego)

Before closing, let me remind you that you have a supper date with me, a week from to-morrow, at the White Eagle Hall. And there will be plenty of Polka music.

And so DO WIDZENIA. God bless you and yours ~~for~~ and BOG ZAPLAC FOR LISTENING.
