Niech bedzie pochwalony Jezus Chrystu
Friends of Poland - To-day's dramatic sketch
"THE CHILDREN OF POLAND" should interest all
for it touches the foundation of the family
which in turn is the foundation of the state.
If you undermine the foundation, the structure
will collapse.

Such was and is the diabolical scheme
of the so-called supermen of the self-styled
master race - to undermine the foundation
of the Republic of Poland and thereby bring
about its ruin and annihilation.

Were it not for the fact that OUR
country, the United States, was included in
the blue print of their nefarious scheme,
perhaps we could be justified in merely
shrugging our shoulders by saying: it is
none of our business. But unfortunately,
it is our business, since the very future
existence of OUR country, the United States,
was and is at stake.

Therefore I repeat, to-day's sketch
THE CHILDREN OF POLAND should interest all -
especially Americans who love their country,
whether it be the country of their birth or
adoption.

And now we present THE CHILDREN OF
POLAND.

In sacred memory of the children of Poland, who like the innocents of old, fell by the wanton hand of the modern Herod, Adolf Schiklegruber, we play in honor of CHRIST THE KING, whose feast we will celebrate next Sunday - BOZE COS POLSKE - GOD SAVE POLAND.

Na pamiatke swietej pamieci niewinnych niemowlat i dzieci ktore padly ofiara reka niemieckiego Heroda, mianowicie, Adolfa Schiklegruber, zagramy na czesc CHRYSZTUSA KROLA ktorego swieto przypada dzis za tydzien BOZE COS POLSKE.

Now to lighten the strain, let's listen to WILCZEK - LITTLE WOLF.

Now, to cheer a convalescing member of the CHEESE CLUB and to bring back for him pleasant memories, we play *- another Polish* JAZDA DO WARSZAWY - TRIP TO POLAND.

Next Sunday we will present THE
PULASKI PARADE.

Each year in the first days of
October, several thousands of Americans of
Polish ancestry march along Fifth Avenue
in New York City, to show their devotion
to the United States - and to Poland the ~~country~~
country of their fore-fathers, by paying
homage to the memory of Brigadier General
Casimir Pulaski, the Father of the American
Cavalry, who died a hero's death in the bat-
tle of Savannah.

~~It is a colorful parade. Dele-
gations from all the cities in the Eastern
States march proudly.~~

It is a colorful parade. Delegat#p
tions from practically all the larger cities
in the Eastern States march proudly carrying
the Stars and Stripes of America and the
White Eagle of Poland. It is the greatest
POLISH-AMERICAN event in the United States.

The Polish Information Center in
New York, has recorded the most interesting
moments of this year's parade and will bring
them to you next Sunday with Music and song.

Among other things, you will hear
the impressive ROTA, Polish patriotic song,
the prayer song of the Polish army and the
Polish National hymn. All this will remind
you that POLSKA JESZCZE NIE ZGINELA - that
Poland is not lost, that Poland will live on.

Until next Sunday then, GOD BLESS
YOU AND YOURS AND BOG ZAFLAC.
